

Personal Independence Payment

Wednesday 6 November 2019, 10am – 4.00pm
Nottingham Community and Voluntary Service, 7 Mansfield Road,
Nottingham, NG1 3FB

This one day course provides a clear understanding of Personal Independence Payment (PIP).

No previous benefits knowledge is required. The training is suitable both for advice workers and for support workers who do not give benefits advice, but who do need a good awareness of how PIP works and how it may affect their service users.

By the end of the day, you will understand:

- the basic qualifying conditions for PIP
- the activities and descriptors (the points system)
- how fluctuating conditions, pain and fatigue are treated
- how aids and appliances can win and lose points
- the precise definitions of assistance, prompting and supervision
- how to qualify for the mobility component on physical and/or mental health grounds
- how the claim process works, including what happens at face-to-face assessments
- how to gather persuasive evidence for PIP
- how to begin challenging a PIP appeal
- the transfer process from DLA to PIP

By the end of the day, you will:

- Be able to help your service users make effective claims for PIP, using detailed and persuasive evidence
- Be able to guide service users through the PIP claim, review and decision making process and warn of deadlines

I wish to book the following places on the PIP training day, **06.11.19 Nottingham**
